ENGAGE NOW TO BE PREPARED TOMORROW

TUESDAY NIGHTS
Black & Latino Achievers Program
BEGINNING SEPTEMBER 24 @ 6

The program curriculum is designed such that each calendar month is associated with a career theme. The program facilitates guest speakers who work in several industries of interest to the students; guest speakers will routinely discuss their personal background, educational/professional development and counsel students on the constructive strategies and habits conducive to success and the attainment of goals. The workshop, educational resource and guest speaker components of the curriculum cultivate the knowledge, skills and constructive habits all young people need in order to become sound students and successful professionals.

Here's what the program can offer

- Educational Enhancement
- Financial Literacy
- College & Career Exploration
- College Tours
- Internships
- Recognition Events
- Life Skills Workshops
- Recreational Activities

Food & Refreshments provided weekly
