

MED QUEST 2014

JULY 7 - 11

NO COST OPPORTUNITY FOR
HIGH SCHOOL STUDENTS

Multi-Day Career Exploration at the
Albany Medical Center

PLEASE NOTE:

This is a no-cost camp but student activities are intensive and students are expected to be fully engaged. The sign up link below is only the 1st stage of the application process. Eligible students who first express interest will be selected from this list and invited to apply in the 2nd stage. Sign up TODAY.

Students historically under-represented in the sciences are encouraged to apply.

Breakfast and lunch each day, plus all necessary supplies are provided.

"It was an experience that I will never forget. Med Quest helped me learn about the many pathways in medicine and helped me understand the network of people involved in healthcare."

You may be interested in joining us at Med Quest 2014 if you are:

- A high school student entering 11th or 12th grade in the fall.
- Considering a career in healthcare.
- Concerned about your community and its health.
- Interested in finding out the latest directions in medical education and technology, and
- Wondering what it takes to get into medical school or other health career training.

To sign up for application materials, please visit:
